Gregory Strom
Full Stack Web Developer

Web developer with 11 years of experience, redeploying exceptional communication and analytic skills honed as a University-level teacher of philosophy and logic. Extensive international experience collaborating with students and colleagues to solve conceptual problems and make exciting ideas work.

WORK EXPERIENCE

University of Pittsburgh, Department of Physics & Astronomy
Administrative Secretary | September 2019 – present | **Pittsburgh**
- Created, maintained and updated the "Coffee House" website facilitating international collaboration between chemists and physicists on groundbreaking research publications

Math-M-Addicts
Assistant Teacher | September 2020 – present | **New York**
- Used web-based education technology to teach weekly courses on advanced math concepts for children ages 10-12, with autonomy and responsibility gradually increasing to include multiple courses and independent teaching

University of Pittsburgh, Department of Philosophy
Website Manager, Visiting Lecturer/Instructor | 2011, 2013 – 2021 | **Pittsburgh**
- Taught myself HTML & CSS to maintain and update faculty supervisor's academic website, augmenting availability of his research to colleagues
- Reinstated and organized annual Visitors' Conference, permanently enriching Department culture by establishing international professional relationships between philosophers in 6 universities
- Enhanced Department's teaching capability by adventurously expanding teaching repertoire to include 9 new subjects, crafting syllabuses and delivering lectures for 27 undergraduate and 17 adult education courses
- Supervised and evaluated teams of 2-4 teaching assistants

Carnegie Mellon University, Department of Philosophy
Special Faculty | August 2019 – December 2020 | **Pittsburgh**
- Created syllabuses and delivered lectures for undergraduate courses covering topics at the intersection of philosophy & technology (AI, engineering ethics, etc.)

University of Sydney, Centre for Time
Postdoctoral Fellow | July 2011 – July 2013 | **Sydney, Australia**
- Coordinated weekly international guest speaker program while supervising graduate level dissertation project and instructing graduate seminars
